

## Isle of Wight 1700 – 1900 Island of Empire Digital Explorer Quiz (KS3)

Your Questions	
<p><b>Q1</b></p>	<p>This is a picture (view) of the Isle of Wight taken from space by a camera on a satellite and is called a satellite map. Make the map bigger by zooming in to it and see if you can find the place where your school is.</p> <p>Each of the orange pins shown on the map marks a place on the Island (like your school). Each pin has a story about an interesting object from history. These objects, often called artefacts and documents, date from the 1700s (C18th) and 1800s (C19th).</p> <p>Click on a pin on the coast near the sea to select an object:</p> <p>There may be more than one object so check each pop-up window as it opens. Click on the Next Feature arrow(s) (shown at the top of the pop-up window) to skip through them.</p> <p>Write down the name of the object you choose:</p> <p>What am I? <input type="text"/></p> <p>Your answer: <input type="text"/></p>
<p><b>Q2</b></p>	<p>Click on a pin in the middle of the Island to pick another object. Write down the name of the object you choose:</p> <p>What Am I? <input type="text"/></p> <p>Your answer: <input type="text"/></p>
	<p>We can also use the search box, found at the top-left of the screen and outlined in red here, to look for or search for individual objects. Try it out and see what it can do.</p> <p>As you type letters a drop-down list will appear. Choose one in the list by highlighting it and pressing enter. The map will now move to the location you have chosen (the pin will show in a small blue box).</p>

Q3

Although no longer a defensive castle during the C18th and C19th, Carisbrooke Castle was still the ceremonial centre of the Island and the official home of the King or Queen’s representative (called the ‘Governor’) on the Island.

Type **Carisbrooke Castle** into the search box and press ‘enter’. Can you make out Carisbrooke Castle on the map?

Research the artefacts and manuscripts at the Castle by clicking on each pin and scrolling through the information shown in the pop-up window. Write down the name of one of these items. Describe what it is and something it tells us about the Castle at this time.

What am I?  
Your Answer:

Describe it

What does it tell us about the castle at this time?

When you have finished answering this question:

- Click anywhere on the map to close the pop-up window.
- Now click on the ‘Home’ button top left (it looks like a house!) to zoom out.
- Finally, click on the ‘X’ in the search box to clear your last search.

Each of these objects tell us something about everyday life on the Island during the C18th and C19th and how they are linked to four themes about the British empire at this time.

Explore this map by finding the object, either artefact or document, that answers each of the 8 questions below and then recording its ‘clue letter’ (found at the bottom of each pop-up window).

You will have completed your expedition when you have all 8 clue letters, and have unscrambled them, to reveal the name of a person who was connected with the Isle of Wight in the C19th.
