

Take Two (UNESCO) Islands

Lesson 4: Rapa Nui (Easter Island) World Heritage Site

Learning aims

- To understand more about the Island's natural environment (geology, biology, weather)
- To explore the impact of people on the Island through history into the present
- To reflect on how Rapa Nui Easter Island can develop in the future

Discovering the Island – Rapa Nui

- A film in two parts:
 - [Rapa Nui \(Easter Island\) Natural World](#)
 - 15 minutes film introduction narrated by Cristian Moreno Pakarati, Rapanui Pioneers Society
 - Write down in your exercise book
 - What have you discovered about the natural world of Rapa Nui (Easter Island)?
 - What would you like to ask Cristian about what its like to live on Rapa Nui (Easter Island)?
 - [Rapa Nui \(Easter Island\) Cultural World](#)
 - 15 minutes film introduction narrated by Cristian Moreno Pakarati
 - Re-visit [Rapanui Heritage Explorer map](#)
 - Write down in your exercise book
 - What would you like to ask Cristian about future ambitions for Rapa Nui
- Class whiteboard discussion – What would we like to ask Cristian about Rapa Nui (Easter Island)?
- Follow up lesson – prepare a presentation about Rapa Nui Island
