

Take Two (UNESCO) Islands

Lesson Plan 8: Isle of Wight Migration Stories

Learning aims

- To recap on learning about Rapa Nui Migration stories, spreadsheets, data, GIS and coordinates
- To explore world stories of migration relating to the Isle of Wight
- To appreciate how these stories connect Isle of Wight with global histories
- To reflect on experiences of migration and to translate these into opportunities for creative inspiration and expression
- To present student stories on a digital map collaboratively using Create The Earth Museum
- To practice using spreadsheets, data, GIS and coordinates

Learning recap

- **10 minutes**
- Find your own work on the collaborative map created from your spreadsheet for Rapa Nui and uploaded by your teacher – what do you like about it; what would you change?

Isle of Wight migration stories

- Individual work (15 minutes)
 - Explore a selection of Isle of Wight Migration Stories on the following map
<https://createearthmuseum.com/explorers/the-isle-of-wight-migration-stories-map>
